

The Wisconsin Cattlemen's Association is the voice of the Wisconsin beef industry.

WCA Membership Benefits

• Beef Industry Promotions

WCA sponsors the Beef Tent at the Wisconsin Farm Technology Days. The Beef Tent is a one-stop shop where breed associations and beef product suppliers can meet with producers.

WCA sponsors the Cattleman's Steak Trailer where consumers can purchase the highest quality beef sandwiches during major agricultural events.

WCA has representatives on the Wisconsin Beef Council which promotes beef with Wisconsin's share of check-off funds. WCA does not directly receive check-off money, so all membership dollars help us promote the beef industry.

• Educational and Research Activities

Winter Ag Conference is a premier event of WCA held in February which consists of a trade show and seminars that are of interest to people in all aspects of beef production. WCA members receive attendance discounts.

• Legislative Representation

Participate and have a voice in the development of legislation and administrative rules. The WCA Legislative Committee works in Madison and across the state on agricultural issues that could impact the beef industry and its supporters. WCA has retained DeWitt Ross & Stevens to work on our behalf in Madison.

• Wisconsin Beef Publication

The WCA newsletter is published bi-monthly in the Agri-View newspaper and WCA new members receive a free subscription to Agri-View.

• Website

WCA maintains a website to provide useful information to its members.

Visit www.wisconsincattlemen.com

• Scholarship Opportunities

WCA, in conjunction with the Wisconsin Cattlewomen (WCW), offers a variety of scholarships including those to high school seniors and travel grants to youth groups and individuals for agricultural education purposes. Two of these scholarships may only be given to children or grandchildren of WCA or WCW members.

• Product Discounts

WCA is in the process of working with several vendors to provide product discounts for WCA members.
