

Mission

To promote the Wisconsin beef business through advocacy, leadership, and education.

The Wisconsin Cattlemen's Association (WCA) is the voice of the Wisconsin Cattle Producer. Through our legislative efforts in Madison, we continue to represent and protect the beef producer's best interests. Our beef industry promotion and consumer outreach allow educational and factual information to be delivered to retail locations and households which help increase beef demand. We also work with several youth organizations to develop and mentor youth to become future beef industry ambassadors. Our membership and Board of Directors work daily to keep beef demand strong in Wisconsin and the country.
